Founded in December 2007, the Asian American Insurance & Financial Professional Association (AAIFPA) has grown to more than 8 chapters all over the country. AAIFPA's main objectives are to offer local programs for professional education & development, networking, and community involvement. AAIFPA provides a platform to facilitate professional programs through local Chapters and affiliate organizations. AAIFPA strives to increase public awareness of the insurance & financial services industry within the Asian community and the standards to which all professionals are required to adhere. The goal of AAIFPA is to play a vital role and to contribute to the future of the insurance and financial service industry.
